Peanut

OPTIONAL COLOURS*

*Available upon request

* Due to printing limitations, shade may vary from actual product

Note: Shade variation among panels may occur for different batches due to the fabric dyeing process.

* *Warranty offered only when installation is carried out as per Armstrong Ceiling Solutions recommendations.

For more details please refer the Armstrong Ceilings India website.

APPLICATION AREAS

Theatres and Auditoria:

45% wall panel cladding offers excellent noise control in Cinemas and Auditorium

Conference room and home theatres:

At least 15-25% coverage is recommended in home theatres and conference rooms. Optra panels with its superior texture can be used to create a sense of warmth along with excellent voice clarity

Office and Commercial spaces:

10-15% cladding using Optra wall panels is suitable for general purpose coverage and commercial spaces. Create patterns on the wall thereby, combining form with functionality
